Djemili Taha Abdelwadoud_____

• Annaba, Seraïdi 23015 • taha-abdelwadoud.djemili@univ-annaba.dz +*213673303140*

Education

University of Badji Mokhtar Annaba — **Annaba**, Algeria
Bachelor's degree in computer science — June 2025
Lycée Tahri Ali — Annaba, Algeria
Mathematical and Technical Sciences Baccalaureate — Sep 2019 – Jul 2022

Experience

Adventure Park Booking Platform (Forest Adventure Annaba)
Full Stack Developer — Oct – June 2024

Tech Stack: Next.js, TypeScript, Node.js, MongoDB, ChargilyAPI, Tailwind CSS

- Engineered a comprehensive booking system for adventure parks featuring multi-role authentication, real-time availability management, integrated payment processing, and administrative dashboards. Implemented complex business logic for activity categorization, dynamic pricing, and automated time slot generation. Built responsive UI with 150+ components and RESTful API with 50+ endpoints, supporting scalable multi-park operations with secure transaction processing and comprehensive booking management.

- **Key Achievements:** Reduced manual booking processes by 80%, implemented secure payment integration, and created intuitive admin tools for operational efficiency.

Academic Experiences

University of Badji Mokhtar Annaba — **Annaba**, Algeria
Full Stack Developer — Mar 2023– June 2023

- Developed a web platform to facilitate ridesharing between users, focusing on reducing transportation costs and environmental impact.
- Designed using MVC architecture with HTML, CSS, JavaScript, and PHP.
- Features included a trip search engine, user profiles (drivers and passengers), and trip management for drivers.

Skills & Interests
